Don't know where to start on your water supply? The water meter is located at the waterline entrance to the home. If the meter is not visible, call the Customer Service department for assistance.

Disconnection/Reconnection of Service
 When an electrical service has been disconnected from Alectra Utilities' distribution system for one month or longer, Alectra Utilities will deem the service non-existent and require the condition of a new service be met prior to reconnection. The customer is required to apply to the Electrical Safety Authority (ESA) for inspection before reconnection can be done.

If you see "Estimate" in the read type portion of your bill, please submit your meter reading by calling 1-833-ALECTRA (1-833-253-2872) or visiting our website at www.alectrautilities.com.
